

Coral Sea Commonwealth Marine Reserve Fraser Seamount – Bioregional Advisory Panel recommended zoning

This map was produced for the independent CMR Review. It is not government policy.

Zoning

- Habitat Protection Zone (IUCN IV)
- Special Purpose Zone (IUCN VI)

Note: Special Purpose Zone A has special conditions. Special Purpose Zone A allows demersal longlining. For more detail, refer to the 'Overview of the recommended zoning scheme for the Coral Sea Commonwealth Marine Reserve'.

NOT FOR NAVIGATIONAL PURPOSES
Coordinates are expressed in degrees and minutes.
