## ***Interpretation***

In this class approval:

1. **Approved Actions** means the actions described as Approved Actions in this class approval.
2. **Approved Person** means a person in the class of persons described as Approved Persons in this approval and includes the employees, servants, agents and contractors of an Approved Person; but does not include a person removed from the class of Approved Persons by a variation to this Approval.
3. **Approved Zones** means a Zone in which the Approved Actions are authorised by this class approval to be carried out.
4. **Artificial Reef** has the meaning given by the *Environment Protection (Sea Dumping) Act 1981*, a structure or formation placed on the seabed for the purpose of:
  - (a) increasing or concentrating populations of marine plants and animals; or
  - (b) for the purpose of being used in human recreational activities.
5. **Authorised Officer** means a warden or an inspector under the EPBC Act.
6. **Director of National Parks** means Director of National Parks continuing under section 514A of the EPBC Act and includes any agency that succeeds to the functions of the Director of National Parks.
7. **Dredged Material** means bottom sediments gathered through dredging for the purpose of moving that material to a different location.
8. **EPBC Act** means the *Environment Protection and Biodiversity Conservation Act 1999* and includes any Act which amends or replaces the EPBC Act.
9. **EPBC Regulations** mean the *Environment Protection and Biodiversity Conservation Regulations 2000 (Cth)* and includes any Regulations that amend or replace the Regulations.
10. **South-west Marine Parks Network** means collectively the Abrolhos, Bremer, Eastern Recherche, Geographe, Great Australian Bight, Jurien, Murat, Perth Canyon, South-west Corner, Southern Kangaroo Island, Twilight, Two Rocks, Western Eyre and Western Kangaroo Island Marine Parks established and described in the *Environment Protection and Biodiversity Conservation (Commonwealth Marine Reserves) Proclamation 2013*.
11. **South-west Marine Parks Network Management Plan or Network Management Plan** means the *South-west Marine Parks Network Management Plan 2018* made under section 370 of the EPBC Act.
12. **Transit or Transiting** means the continuous and expeditious passage through an area. However, passage includes stopping and anchoring, but only in so far as rendered necessary by force majeure or distress or for the purpose of rendering assistance to persons, ships or aircraft in danger or distress.
13. **Vessel** means a ship, boat, tender, raft or pontoon or any other thing capable of carrying persons or goods through or on water, and includes a floating structure and hovercraft.
14. **Zone** means a management zone established by, and described under, Section 3.1 of the South-west Marine Parks Network Management Plan.
